

ICon Innovative Conference 23-24 Jan 2021

About

ICon (Innovative Conference) is an event which aims to bring hidden/unknown ideas/innovations in front of the world. By bringing together, we create a unique platform for participants to learn, exchange ideas and collaborate with experts.

The year 2020 brought various kinds of crises which changed our lives drastically. From the COVID-19 Pandemic to Forest Fires in Australia , crashing world economies to ravaging floods, these emerging crises have not only made our lives more vulnerable, but also warned us of the problems we may face in the future. So, we would like to invite projects based on the topic - **“Engineering Solutions to Emerging Crisis”**.

The participants will be allotted a time slot of 10 minutes in which they would be expected to do a presentation of their scheme and can demonstrate their idea. During this time, they need to showcase the significant points of their project and present it to the experts. This shall be followed by a short questionnaire by the experts.

Conduction of Event

Participants will have to register for this event online, by submitting brief information about themselves as well as their idea related to the topic. Due to the Pandemic situation, the entire event will be conducted online. The selected participants will have to present their ideas on the day of the event to the experts through Webex, an online platform.

Participants can use one or more following options to present their ideas.

- Poster presentation
- Video presentation
- Audio Presentation
- Slides/Powerpoint

We recommend that you include a prototype of the project in your presentation. After all the teams have finished their presentations, there will be a break during which they can interact with the experts.

Selection Criteria

1. Participants are required to attach a document which includes a brief description of their idea and details of all the team members and email it to amalthea.icon@gmail.com.
2. Participants can submit a video/documentary regarding their idea to ICon (optional but recommended) on the above email id.

All Teams will have to register and submit the brief before 19th January, 2021. Only selected teams will be allowed to present their ideas on the day of the event. Teams will be selected based on the distinctiveness of your idea. Plagiarism will not be tolerated. Selected teams will be notified through email.

Judging Criteria

- Affordability
- Scalability
- Sustainability
- Excellence
- Distinctive

Rules and Regulations:

1. A Team can consist of a maximum of 5 members. The Team should register their team name and team leader on the Registration form. We will only communicate with the person registered as the team leader.
2. If any team is found to be involved in an unethical practice such as cheating, plagiarism, copying, copyright violation, etc., they shall be disqualified immediately.
3. At a later stage, if a team is accused of violation of the copyright of any particular idea or research, then Amalthea and ICon will not be responsible and accountable for any charges held against them.
4. At any stage of the event, if any team is found to have misconduct, they shall be disqualified.
5. All the selected teams must be present on the day of the event at the given time for introduction and briefing. Further information regarding presentation schedule will be mailed to the qualifying teams.

6. Kindly note that all participants are free to stay in the meet, but only the team presenting to the panel will be allowed to unmute and present.
7. We are not responsible for any kind of network issues or any discrepancies in audio/video during the team presentation. Considerations will be made only under special circumstances.
8. Any requests for change in schedule must be sent via email by the team representative at least an hour before the event.
9. ICon only has the responsibility of conducting the event smoothly, and the results of the event shall be solely decided based on the interactions the teams have with the experts. ICon is not responsible for the judgments the experts take.
10. ICon is not responsible for arranging any further interactions of participants with the experts, however, if any of the experts wish to contact any of the participants, they may do so with their own interest.
11. ICon holds the right to change the event format, medium or structure at any point without prior notice to the participants.

Prize Policy

Certificates issued by Amalthea will be awarded to all the selected participants who appear online on the date of the presentation. Winners will be awarded prize money worth 22000 Rs. This event provides an opportunity for participants and experts to interact with each other. Teams have a chance to get support for their project from any of the experts if they are interested in their idea.
